Chef Table

Chef Table – the newly designed value-added activity with unique experience for communication and cooperation is dedicated to participated exhibitors by ANUFOOD China 2020. Cooking demonstration will be presented by well-known chefs, by using the food materials from the participated exhibitors. The honorable guests are able to taste delicacy, experience the miracle of “from country of origin to dining table” and explore business opportunities with exhibitors. Prizes await to surprise you in the activity!

Honorable guests are mainly: importers & exporters, distributors, quality trade buyers from e-commerce, hotel & restaurant procurements, F&B management, food industry associations, industrial media and local government partners, etc.

Scale of honorable guests: **50** pax

If you are interested in the Chef Table activity, please provide the following information to melody.wang@koelnmesse.cn

We will confirm your participation with detailed arrangement.
